CODEBREAKERS

A holiday programme for older children and teens!

Clue in to the complexities of social interactions and crack the hidden social code! Come hone your social observation skills and learn to work with fellow 'agents' in teams to accomplish your mission!

Through solving a mystery crime, learn to:

- Appreciate differences, contribute ideas and accept others' ideas
- Figure out how to work with peers to achieve goals
- Recognize when things don't go according to plan, stay calm and problem solve
- Accept challenges, take risks, face failure and learn from mistakes!

Register by 10 December 2019
